

LuxFrame™

fixed-frame wall screens

Utilizing the latest in home theater advancements including **Lux-Black™ velvet frames**, our exclusive clip and rod tensioning system, and the most advanced display surfaces optimized for HD, our LuxFrame fixed wall screens offer you the most screen for your display investment.

Attention To Every Detail. Screens are all about details. They must be made by hand using the latest in high precision equipment to guarantee uniformity. From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous quality assurance. Our factory is fully **ISO 9001:2000** certified to ensure excellence every time.

Beautiful, Practical Screen Surfaces. Our LuxFrame fixed frame screens feature our advanced Ultra3™ Matte White Fabric Surface with the time honored slightly textured screen surface most professionals prefer for fixed installations. Ultra3 Matte White surfaces boast up to 1.1 gain, a wide 160 degree viewing angle, anti glare technology, and black backing. You'll have **beautiful fine color rendition**, soft light, and virtually no visual fatigue even after hours of use.

Trimmed In Velvet, A Showpiece For Any Room. Underneath rich, black velvet our rigid aluminum frames provide strength and light weight mounting. Specially designed to absorb stray projector light our **black velvet trim** and class leading 3.15 inch frame provides one of the most advanced, feature rich fixed wall screens available today.

Exclusive Rod & Clip Tension System. Our LuxFrame screens utilize our specially designed rod and clip tension design that puts unprecedented **uniform tension that virtually eliminates screen surface anomalies**. Its easy to install and beautiful to behold.

Popular Sizes & Ratios Always Available. Our LuxFrame fixed frame wall screen comes in the most popular sizes and for conference room and home theater installation.

More Warranty At No Extra Charge. Double what most others provide, our **2-year warranty** backs up our commitment to quality with extra peace of mind at no extra charge. And remember, since 1969 RecordexUSA has always been here to help you with any questions, requests, or service needs.

MaxFlat™ Design, Unparalleled Viewing Experience. All our screens are designed to virtually eliminate any of the surface anomalies of yesteryear's screens. Our Ultra3 surface offers our MaxFlat finish and framed with a velvet light absorbing matte black frame. Combined they give you an outstanding flat, crisp, maximum contrast surface that allows for an **unparalleled viewing experience**.

With 40 years of engineering excellence for audio and video professionals, RecordexUSA offers homes, churches, schools, and custom installers the best value in performance displays available today.
