

TheaterNow!TM

portable pull-up theater screens

Utilizing the latest in technology including our [PerfectLiftTM pneumatic lift mechanism](#), ultra strong and light MagTuf LTTM aluminum housing, and display surfaces optimized for HD, TheaterNow! offers you the most advanced portable screen for your display investment.

The Best Features For Less. At RecordexUSA we don't believe in providing a basic screen and then making you add hundreds of dollars for advanced pneumatic lifts, advanced surfaces and a longer warranty. That's why you'll find that all of our TheaterNow! screens offer what others claim to be deluxe or optional.

Attention To Every Detail. Screens are all about details. They must be made by hand using the latest in high precision equipment to guarantee uniformity. From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous quality assurance. Our factory is fully [ISO 9001:2000](#) certified to ensure excellence every

Beautiful, Practical Screen Surfaces. TheaterNow! Pull-up screens feature our advanced Ultra3TM Matte White Fabric Surface with the time honored slightly textured screen surface professionals prefer. Our Ultra3 Matte White surfaces boast up to 1.1 gain, a wide 160 degree viewing angle, anti glare technology, and standard black backing. You'll have beautiful fine color rendition, soft light, and virtually [no visual fatigue](#) even after hours of use. Plus it's very durable and easy to clean.

Tough As Nails, Beautiful to Behold. Utilizing our own extra strong MagTuf LTTM Aluminum screen housings, all RecordexUSA pneumatic pull up screens are [built for the rigors of commercial environments](#). Our matte black finish is strong, scratch resistant, and designed to optimize your portable viewing.

MaxFlatTM Design, Unparalleled Viewing Experience. All our screens are designed to virtually eliminate any of the surface anomalies of yesteryear's screens. Our Ultra3TM surface offers our MaxFlat finish and a [4-side light absorbing matte black border](#). Combined they give you an outstanding flat, crisp, maximum contrast surface that allows for an unparalleled viewing experience.

Gravity Defying PerfectLiftTM Included Standard. A portable screen without pneumatic lift can give you that old pull shade effect when opening or closing your screen. You remember, pull and thwack! Not our TheaterNow!, it [opens and closes like it is magically floating on air](#). We feel it's ease of use and effortless control that makes a portable screen so invaluable. Others agree, but will charge you double or triple for that luxury. Not us, it's standard with no up-charge.

Popular Sizes & Ratios Always Available. Available in the most popular sizes for portable presentation screens in both 4:3 (60", 80", 100") and 16:9 (73", 90") aspect ratios.

More Warranty At No Extra Charge. [Double what most others provide](#), our 2-year warranty backs up our commitment to quality with extra peace of mind at no extra charge. And remember, since 1969 RecordexUSA has always been here to help you with any questions, requests, or service needs.

RockSteadyTM Fold-Out Feet. You need your portable to stand tall. That's why every TheaterNow! comes with extra strong, [stable fold-out feet](#). Even in larger sizes up to 100" you'll find it offers unprecedented anti-sway performance.
